Sarah: Yes, based on projected UIC travel remaining for FY 17 (which assumes I will be traveling to New Town as well), I would have about \$2000 remaining. I plan to send additional folks to our all states meeting in Casper, WY in September using whatever funds I have left.

Hi Lisa and Douglas –

We are planning to consult with MHA nation on some DW, WW, and UIC issues, and I am working with Bert to figure out who all will attend from EPA. ORC has asked that we fund travel for Paul and Lucita to attend. Based on your travel budget planning, is this something you think you can accommodate within your travel budgets? I think I can accommodate some of this cost within the SDWP IO travel budget, but that depends on whether I attend (which depends on when the meeting is scheduled and whether Bert can attend). We can also ask Colleen if WW has any additional funds.

Based on recent trips to Bismarck, I estimate the cost at \$800/person (assuming 2 nights stay to allow driving time to New Town).

Lisa – I think Gwen was managing the travel budget, but since she is out I thought I would ask if you know if you guys plan to use your full allocation?

Thanks!
